

Planet Earth: Dig It, 2012
Age 15-16 Boys and Girls
July 22-27

This is your chance to learn how the planet works, a sort of Earth Intro. This is your chance to find out why it *IS* possible to feed the world, and dig into issues that keep people hungry.

Come find out.

Our dedicated farmers, environmentalists, cheese makers and teachers are working on a dream. The dream needs you. Experience our friends, the animals and the plants, busy making food. Watch how they do it. Bring yourselves and your imaginations, and work the farm, feed the pigs, milk cows and goats, harvest veggies, bring food to the hungry and make friends with the biggest mother of all: Planet Earth. Dig It!

Application for Planet Earth: Dig It! 2012

Child's Name _____
